HOW DOES THIS PROGRAM BENEFIT OUR PARISH?

We as a parish have been blessed by the Lord in so many ways. It begins with our Eucharistic celebration and extends to our community of faith.

Finances are obviously very important to support our various ministries, and we appreciate the generous support we receive from our parishioners. As Catholics, we recognize that all we have - our time, our talents, our resources, even our very lives - are gifts from God. We are called to be good stewards of all these gifts, investing them wisely and generously for the sake of God's Kingdom. We know that our Lord's promise is to "Seek first His kingdom and His righteousness, and all these things shall be yours as well."

To help make it more convenient for you to financially support the parish, we have added an electronic payment option. This offers you the opportunity to make automatic financial contributions from your bank account to our parish. Electronic banking costs you nothing and provides many advantages to both you and your parish.

Your benefits:

- ⌘ Makes giving more convenient - contribute directly from your checking account
- ⌘ Eliminates the need to write checks and keep track of envelopes
- ⌘ Change your contribution amount or schedule at any time
- ⌘ It is safe and secure

Parish benefits:

- ⌘ Saves administrative time processing contributions
- ⌘ Stabilizes the parish budget with your scheduled contributions
- ⌘ Reduces the expense of envelopes and associated postage costs
- ⌘ Promotes the parish mission through additional resources and staff time

If you would like to take advantage of this stewardship opportunity, please use this Payment Authorization Form and provide your account information, a voided check and choose a contribution schedule. Return your completed form to the parish office or drop it in the collection kiosk. As always, please contact us if you have any questions.

We thank you for your generous and continued support of St. Kenneth Catholic Community as we work in service to Christ and one another.
