MISSION STATEMENT - We are disciples of Jesus Christ gathered in a Catholic Christian Community to proclaim the Reign of God through our words and actions in our world.

VISION STATEMENT - To become an increasingly welcoming and inclusive parish centered in the Gospel of justice, love and compassion.

VALUE STATEMENT - With God at the center of our lives and dedicated to the Eucharist, we reach out to proclaim the Word of God to all through our words and actions. We share our time, talent and treasure for the common good. We serve within and beyond our community with special attention to the poor and vulnerable.

We seek actively to appropriately involve our youth in these activities.
