Dear Parish Member,

We as a parish have been blessed by the Lord in so many ways. It begins with our Eucharistic celebration and extends to our community of faith. Finances are very important to support our various ministries, and we appreciate the generous support we receive from our parishioners. To help make it more convenient for you to financially support the parish we have an electronic payment option. Electronic banking costs you nothing and provides many advantages to both you and our parish.

Your benefits:

- ✦ Makes giving more convenient; contribute directly from your bank account
- ✦ Eliminates the need to write checks and keep track of envelopes
- ✦ Change your contribution amount or schedule at any time
- ✦ Direct access to our Online Giving Administrator at onlinegiving@stkenneth.org
- ✦ It is safe, secure, private and confidential. In other words, only YOU have access to your banking information.

Parish benefits:

- ✦ Saves administrative time processing contributions
- ✦ Stabilizes the parish budget with your scheduled contributions
- ✦ Reduces the expense of envelopes and associated postage costs
- ✦ Promotes the parish mission through additional resources and staff time

You now have the opportunity to manage your church offering online with Our Sunday Visitor (OSV). This service provided by OSV is easy. It gives you on-line access and manageability for changes to your offering elections from any device connected to the internet. Your offering will be withdrawn electronically on the dates you specify from the bank account that you designate and OSV will send you a confirming e-mail.

The form on the reverse side is to help guide you through the process so you know what information is required when you register on-line. You may find it helpful to complete this form prior to logging in so that all of your information is in one location.

Don't have a computer, no problem! You can become one of our **Managed** accounts by having the Online Giving Administrator set up your account for you; to schedule an appointment contact the Parish Office. Once your account is set-up, any changes to your offering elections will be made by the Online Giving Administrator based on your **written request** using the Online Giving Form. No User Id and Password to remember, we handle it all for you.

We thank you for your generous and continued support of Saint Kenneth Catholic Community as we work in service through Christ and one another.

Sincerely,

Finance Council
Saint Kenneth Catholic Community
